Rodrigo,

As per our conversation. Over the past 2 weeks we've had weather issues and operational issues. At this moment, we will not have LSFO for the Stealth II. She is sailing at 1200 and we will not have any LSFO loaded in Pascagoula until late PM tomorrow night.

I am terribly sorry for the inconvenience.

Kind Regards,

Tyrrell Henley

Danny / Rodrigo Leiva (ULTRANAV)

Vessel will berth on March 7th per operations inform few minutes ago.
Let me know the best you can do as is not a prompt delivery.

Thanks & Regards,

Rodrigo Leiva
